We do not have responsibility with missing file of this book.

Dark Bites® is a horror short story collection focusing on the classic creatures we love to fear: zombies, vampires, werewolves, ghosts and more. In 1979 the worst blizzard in history dumped 19" of snow on Chicago. Marie's flight is canceled and she decides to explore the city. As the storm buries the city, she finds pure evil and has to fight for her life. She doesn't stand a ghost of a chance.

Some events in "848" are tied to my latest horror story "Dead Woman's Curve" (ASIN: B0061XDCV4).
