Heâ€™s been a bad, bad rakeâ€”and it takes a governess to teach him a lesson

The accidental governess.

After her livelihood slips through her fingers, Alexandra Mountbatten takes on an impossible post: transforming a pair of wild orphans into proper young ladies. However, the girls donâ€™t need discipline. They need a loving home. Try telling that to their guardian, Chase Reynaud: dukeâ€™s heir in the streets and devil in the sheets. The ladies of London have triedâ€”and failedâ€”to make him settle down. Somehow, Alexandra must reach his heart... without risking her own.

The infamous rake.

Like any self-respecting libertine, Chase lives by one rule: no attachments. When a stubborn little governess tries to reform him, he decides to give her an educationâ€”in pleasure. That should prove he canâ€™t be tamed. But Alexandra is more than he bargained for: clever, perceptive, passionate. She refuses to see him as a lost cause. Soon the walls around Chaseâ€™s heart are crumbling... and heâ€™s in danger of falling, hard.
