We do not have responsibility with copyright of this book.

Drunken Doodles: Drink, Play, Draw by Sam Stall, Paperback ... You've had a few drinksâ€”okay, more than a fewâ€”and all that alcohol's left you buzzed, beat, and vaguely nauseated. What now? Instead of knocking back another round, downing a bunch of ramen, or placing an ill-advised call to an ex flame, try something a bit more old-school. Scribble in this doodle book, just like you did in kindergarten. Drunken Doodles: Drink, Play, Draw [ Drunken Doodles ...
